Republika Kosovo-Republic of Kosovo
Kuvendi - Skupština - Assembly

Legislature IV
Assembly,

Based on the article 65 (1) of the Constitution of the Republic of Kosovo and article 62 of the rules and procedures of Assembly, following the parliamentary debate on the international children's day the Assembly of the Republic of Kosovo in the plenary session held on 1 and 7 June 2012, concluded the following

RECOMMENDATIONS

1. The Government of Republic of Kosovo, based on best international practices and in the shortest possible timeframe, to develop the national inclusive early childhood development and education program that would guaranty comprehensive development of the child into a useful and productive citizen in the society;
2. Encourage institutions, at the local and central level, to secure the required human and financial resources to implement the policies related to the development, implementation, supervision and accountability on early childhood development and education in Kosovo;
3. Develop quality education programs for parents, aiming to improve nutrition, care and stimulation to learn in early age, to be provided through health services, such as maternity wards and family medicine centers in public and private sector and in close cooperation with education and social welfare sectors;
4. In order to ensure the realization of child rights for development of their full cognitive, emotional, social and physical potential of children for school readiness, develop educational programs for parents, educators and caregivers to be provided through services of education institutions in cooperation with health and social welfare sectors;
5. To empower social services that ensure protection of children against any form of violence, abuse and exploitation and provide social protection through social assistance for children in need;

6. To empower the implementation of the codes of ethics by all institutions and professionals, working with children, including media, to ensure protection from any child rights violation or abuse.
7. To ensure that during the repatriation process, each case is treated individually, by considering the best interest of the child, in order to have equal access to health, education and social services.
8. To draft the law on children.

No.04-V-389
Prishtina, 7 June 2012

President of the Assembly

Jakup KRASNIQI
